Day 1

We meet our private executive coach at our designated pick up points. On arrival in Lewes this morning we visit Anne of Cleves House. Anne of Cleves House formed part of her divorce settlement from Henry VIII in 1541, although she never actually lived there. It now displays period furnishings, everyday domestic objects and tells the story of Lewes from 15th century to modern times. On arrival in Eastbourne we check in at the 3* Lansdowne Hotel at Eastbourne for an overnight stay. This afternoon we continue to Glyndebourne where we take our Stalls or Circle seats for the 4pm performance of Verdi's 'La Traviata'. After the performance, we enjoy an included set 2 course dinner without drinks at one of the excellent restaurants in the opera complex.

Day 2

After an included breakfast and checking out of our hotel, we enjoy a guided tour of Brighton Pavilion. Built for the Prince Regent, later King George IV, in stages between 1787 and 1823, the Royal Pavilion is remarkable for its exotic oriental appearance both inside and out. This magnificent royal pleasure palace was revered by fashionable Regency society and is still a distinctive landmark for Brighton today. This afternoon we visit the National Trust's Standen House and Gardens in West Sussex. Designed by Philip Webb, the house is one of the finest examples of Arts and Crafts workmanship, with Morris & Co. interiors creating a warm and welcoming atmosphere. This hillside garden is made up of delightful woodland and a succession of small very English gardens overlooking the Medway Valley and Weir Wood Reservoir. We then return back to our original pick up points.

NB:- Please note we reserve the right to alter the above itinerary if required for operational reasons. Given the historic nature of the places visited, a certain degree of walking will be involved, and this holiday may not be suitable for those with mobility problems.
